

2011 Seminar Program

CRUISING PREPARATION SCHOOLS

SATURDAY 27TH & SUNDAY 28TH NOVEMBER 2010 IN AUCKLAND

SATURDAY 19TH & SUNDAY 20TH FEBRUARY 2011

Cruising Preparation Schools are limited to five couples giving a small group environment. Although there is a fixed curriculum (see the web site for a full description) there is also plenty of time for question and answer.

Costs for the full weekend course are \$375 per couple or \$250 single, plus a copy of "A Guide to Cruising" \$50.00 and "Safety and Emergencies at Sea" \$75.00

"ON THE WATER" CRUISING Preparation

A FULL TWO DAY COURSE TO SUIT BOTH PARTIES AS TIME PERMITS.

This program is done one on one on your own boat and handles a full range of items specific to you and your boat (see the web site for a full description). You can either bring your boat to the Bay of Islands or we can come to you, anywhere.

Costs for the full weekend course are \$750, plus accommodation and travel costs outside the Bay of Islands. Plus a copy of "A Guide to Cruising" \$50.00 and "Safety and Emergencies at Sea" \$75.00 To book please send an email to john@islandcruising.co.nz

"PASSAGE MAKER" SEMINAR

SATURDAY 26TH AND SUNDAY 27TH OF FEBRUARY 2011

This is an intensive two day course directed specifically toward safe passage making and covers topics from survival and rescue, heavy weather sailing, emergency equipment, passage planning, weather and a whole host more. (See the web site for a full description) Costs for the full weekend course are \$275 per couple and \$200 single. This seminar is held in Auckland at the Marine Industry Assoc Conference rooms in Westhaven.

This is our most popular seminar so book early to ensure your place.

Bookings can be done on-line at www.islandcruising.co.nz go to seminars, passage maker entry form.

"IN WATER" LIFE RAFT DEMONSTRATION

SATURDAY 5TH MARCH 2011

Held at the Orakei Dive pools in Orakei Auckland this demonstration covers deploying and survival in a life raft. It's done in the water to give you a "closest to the real thing experience" so bring along your wet weather gear, your life vest and your crew, everyone needs to find out how, where and when in a controlled environment in the unlikely event the proverbial hits the fan.

Costs are \$35 per person with kids under 16 free. The demonstration and lecture runs for approx. 2 hours
